

SEARCH's Program for 2004

In 2004, **SEARCH** is:

- ✓ Informing key journalists - via meetings, phone, U.S. mail and email
- ✓ Training people to work with the media
- ✓ Arranging for Palestinian and Israeli human rights activists to meet with Jews, church leaders, members of Congress, journalists, and human rights and peace groups
- ✓ Encouraging human rights, church, and peace groups to support a just peace in Palestine/Israel in their contacts with the media and the US government
- ✓ Speaking - and placing speakers - at universities, civic organizations, churches, and synagogues throughout the US
- ✓ Making special efforts to reach American Jews
- ✓ Working with a coalition of US organizations to support a just peace rather than - as Congress has overwhelmingly done - Israel's violations of human rights and international law
